### The Event

The Willow Time Trial is part of the Michigan Challenge Points series and is a Nationally Ranked Event! The event consists of 6 laps on a flat course in a low traffic area for a total of 13.2 miles. Electronic timing provided by "The Timing Guys". Event will be held rain or shine. For start times and results visit <http://www.fredericjames.com/events>.

### Location

The Willow Time Trial is held at Willow MetroPark. Willow MetroPark is located near Romulus Michigan, east of I-275 off of South Huron Road (exit 11), six miles south of I-94. Check in is at the "Pool - Activity Area." A park entrance permit is required. The one day permit cost is \$5.00 per vehicle unless you have an annual MetroParks permit available for \$25.

### Event Rules

All USACycling rules apply. An ANSI/Snell approved helmet is required. Riding clothing must have sleeves. No drafting is allowed. Riders start 30 seconds apart. 6 laps must be completed; there will be no time allowance for less or more than 6 laps. Riders should go outside of the finish line chute on the 1<sup>st</sup> 5 laps, and through the finish line chute on the 6<sup>th</sup> final lap.

Riders are responsible for being at the start line on time. Riders who miss their start time will be given at the discretion of race officials the following options:

- 1) Continue with the originally assigned start time. Rider will start late and in effect have a time penalty.
- 2) Receive a new assigned start time. Rider will receive an accurate time but won't appear in the results/standings. In the timing notes at the bottom of the results, rider elapsed time will appear based on the new assigned time.

The timers will only accept a revised start time affecting results/standings from the chief referee in case of a starting line mishap, or from the event promoter in case of an event mishap.

A valid USCF license is required to compete in this event. Purchase annual licenses on-line at [www.usacycling.org](http://www.usacycling.org). No changes to results will be made after the protest period ends and we leave the event. It is the participant responsibility to validate their time prior to leaving the event.**
