

IMPORTANT: Hines Drive is flooded at Middlebelt Road with 1 foot of water due to yesterday's storm. Per my discussion with Wayne County Parks today, we don't anticipate it to clear by Sunday. We are making several changes to be able to continue with our event. The starting location will continue to be Helms Haven at West Outer Drive and Hines Drive. We plan to use a shortened loop of 4 miles out, 4 miles back, in other words an 8 mile lap. Riders 16 years of age or less will complete 1 lap for 8 miles. Remaining 20K participants will complete 2 laps for 16 miles. All 40K participants will complete 3 laps for 24 miles. It is rider responsibility to complete the correct number of laps. Please be careful at the turnaround and also going under Telegraph Road, which has a few bad spots. To minimize congestion on the course, start times have been adjusted to 1 minute intervals rather than 30 seconds. We apologize for the late change, this is obviously beyond our control. These should be final start times.
